---

Dear Sunshine High Parents, Guardians, and Students,

I trust and pray that not only are you having a fun summer, but a rewarding one as well! We would like to extend a warm welcome to you and your family as we begin our 2022-2023 academic year. We express our gratitude for the grace with which you entrust us in regard to your child's education.

Sunshine Christian Academy High School strives for excellence in academic achievement, as well as a nurturing of your student's faith, so that they, too, can become leaders of faith as they make preparations for life's journey. As such, we believe that you and your child are here by God's design and purpose. We wholeheartedly seek, and look forward to working with you hand-in-hand with Christ so that we can foster an atmosphere of faith, and quality education.

As we continue to build on previous years, we will infuse new energy, motivation, and a passion for learning through challenging students with a quality education that only S.C.A.H.S. can provide. At Sunshine High, we hold true to our core belief of, "Assisting students in finding their God given talents and empowering them to use those talents in his glorification." As such, we would like to thank you and welcome you to the Sunshine High Family!

Respectfully,

David T. Anderson, BA. Psych., US Navy (Ret)  
Sunshine Christian Academy High School
